

Corporate Testimonials

Thank you for helping us host our conference recently. The staff were professional, courteous and polished. Dinner was flawless. Thank you for letting us tailor our package to the directors liking, this went a long way to ensuring the success of the evening. Accommodating changes was effortless and nothing was too much trouble. The venue looked lovely and was just the right balance of outdoor and indoor space. Our presentation went smoothly in the conservatory and it was handy having all the AV on site available. Everyone enjoyed some natural sunlight in the afternoon followed by dinner in what can only be described as an amazing building – what heritage! Thank you also to our Coordinator and the Willows team for all their help in assisting with the organisation and execution. Will definitely consider booking again in the coming year. **JPM Fleet Management, 2014**

Thank you for a wonderful awards night. Mid-year functions can be stressful but this was effortless so we appreciate the professionalism in assisting to make our event a great success. The staff had a great time and compliments flowed. Much thanks from the Operations Team. **IKON Services, 2014**

We're a small business but occasionally we like to get together someone private for dinner. The venue was lovely and the environment was the perfect mix of functional, comfortable and private. Thank you for a wonderful dinner, we all had a marvellous night. Oscar and the staff were attentive. Hats off to the chef! **The Wall Sticker Company, 2014**

Thank you for the great dinner the other night, everyone loved it. We are looking to host a similar event in July and would like to re book the same space. **Red Cross, 2014**

Thank you for helping to make our networking evening an enormous success and we could not have achieved this without a beautiful venue and great service. The food was fabulous with plenty of canapés to go round. Thank you for giving us the opportunity to use the courtyard, conference room and bar, this made the night even more enjoyable. It so hard finding places that tick all the boxes, would not hesitate to come back for future events and recommend to others. **Southern Porter, June 2014**

Thanks for a very nice event on Wednesday evening. Oscar and the team at the Willows did a great job. We ended up with fewer people than was expected, but that is just the nature of things. Thank you for accommodating our needs effortlessly. **Oracle, 2014**

We would like to extend our thanks to you (Bridee McMahon) and the staff at the Willows for a lovely lunch on Thursday. The venue, the food and service were all excellent. A particular thank you to the coordinator who was most helpful and patient throughout the day. Wishing you all well until next time. **Australia Post, 2014**

I've just returned from a long weekend, however, I wanted to thank you again for the way you managed our dinner. It was a lovely event and the feedback is that everyone had an enjoyable night. Thank you for looking after me too with the champagne, it was delicious. **Consumer Advisory Group, 2014**

Thanks so much for a fantastic day! All our guests had great things to say about the venue and loved that the staff were friendly and attentive but not obtrusive. Despite the changeover in planners, everyone knew what was happening and helped keep me stress free!! **Engagement Party, Feb 2014**

Thank you for all your assistance. Our launch meeting was a success and we could not have achieved this without your expertise, beautiful venue and great customer service. **GlaxoSmithKline 2013**

Service was friendly and responsive, and the venue would be lovely on a summers day. Even in winter it is nice being able to see outside. The big windows are a nice change to an office environment. **Red Cross, 2013**
