We would like to say a massive thank-you for our wedding! The event ran flawlessly and there was not one hiccup or incident. The Willows staff made the whole night amazing. We could not have asked for more. The planning process was easy and all my questions were addressed quickly and without issue. The food on the night was terrific and many guests comment that it was the best wedding food they had ever had. **Teri & Michael, June 2014**

The Willows team did a magnificent job. Our coordinator conducted herself with professionalism of the highest standard, she resolved all our issues promptly and went over and above the call of duty helping us make our special hassle and stress free. **Gabrielle & Kym, June 2014**

Our experience with the willows was phenomenal! The service and attention to detail was just amazing. Every single one of my requests was answered without a hassle. I felt like I was the only bride on the planet! 90% of our communication was via email yet the staff, made me feel like an old friend! The food and drinks were great and everybody is still raving (especially me). We wish we could do it over and over again! It was the best day EVER! **Angelica & Jarrod, May 2014**

Thank you to the Willows team for helping us achieve the best wedding day either of us could have hoped for. We had so many of our guests compliment our coordinator and the team on what great service The Willows provided from the food to the wait staff and everything in between! Thank you once again for nothing short of everything. **Alicia & Matt, April 2014**

A sincere thank you to everyone at The Willows for making our day everything we had hoped. The Willows were absolutely amazing – we couldn't fault the venue set up or the service. Everyone commented on how beautiful the venue looked against the garden backdrop and how well it worked for a luncheon wedding. The staff were fantastic & very accommodating and it was the little touches that impressed us. We couldn't recommend The Willows more highly. **Lia & Michael, March 2014**

Thank you so much for making our wedding day carefree. We enjoyed ourselves enormously. The staff were very attentive and nothing that was too much trouble when asked for. The food was fantastic and our guests all commented on how delicious everything was. The atmosphere was everything we could have asked for. You can hope for these things but you can't necessarily plan for them. A most sincere thanks again to you all. **Joanne & Chris, Feb 2014**

On behalf of my wife and I, thank you for hosting our son's wedding with such grace and care. The feedback received from our guests has been extremely complimentary. The entire day was wonderful and we appreciate your contribution. **Father of the Groom, Sarah & Dale Feb 2014**

Thankyou for your friendly and professional approach to planning/hosting our wedding. We had such a fabulous time! The venue, with the help of our stylist, looked utterly stunning. The separate dancing space for the band and quieter rooms/ garden areas were great for both facilitating letting loose on the dance floor and then catching up with guests for a quieter chat. Initially I was concerned about this but it worked perfectly. Many thanks again for making the day so special. **Julia & Craig, Jan 2014**
